TOTAL ACHIEVERS 113 TOTAL REWARDS - ₹ 15,410

Our Achievers...

(Batch 2025-26)

SELECTED STUDENTS IN SAINIK SCHOOL 2025-26

**ABB PRINCE
BAGRI**

**ABB YUVRAJ
SOLANKI**

**NMM AYUSH
SAHU**

NPH ARPIT

**NPR MD. KAMRAN
ALAM**

**APKN YASH KR
SHARMA**

**APKN NAYAN
KUMAR**

Our Achievers...

(Batch 2025-26)

SELECTED STUDENT IN JNV 2025-26

**NJB ARSH
KASHYAP**

Victoria Rana (KVS)

**AAG ANSH
PAL**

EXPECTED IN SECOND LIST

**NPR MD. KAMRAN
ALAM**

**ABB MUSKAN
MURMU**

AMM GAURAV

Our Achievers...

(Batch 2025-26)

SELECTED STUDENT IN NSSNET 2025-26

**NSN KATHAVI
THAKUR**

**NSN KRISTALA
TROW**

**NSN PRABHUMAN
SINGH**

NSN ANSHIKA

**NSN DAMNI
KUMARI**

**NSN ANSH
KUMAR**

**NSN RITIKA
KUMARI JHA**

**NSN SHIVAM
SINGH**

**NSN
ASHWINA**

**NSN SUMAN
CHAUDHARI**

**NSN PRINCE
BORA**

**NSN RITIKA
KUMARI**

Our Achievers...

(Batch 2025-26)

SELECTED STUDENT IN NSSNET 2025-26

NSN MANISH

NSN ISHANI

NSN NIHARIKA

**APKN ASHWINI
SINGH**

**APKN
DEEPANSHU
KUMAR**

**APKN NAYAN

About Our NGO

The Serving Nicely Foundation is a non-governmental organization (NGO) committed to addressing key social issues and improving the lives of vulnerable individuals and communities. Established in 2021, our foundation has been actively involved in implementing sustainable programs in the areas of education, healthcare, and community development.

Our core values of empathy, integrity, collaboration, and innovation guide us in our pursuit of excellence. We believe in the power of collective action and work closely with local communities, government agencies, and other NGOs to maximize our impact.

We are here to create opportunities for the most marginalized and equip them with the necessary guidance and skills to enable them to achieve their potential. Our vision is to contribute to the idea of India by securing the future of our vulnerable children, through education.

Our work impacts the lives of children of daily wage workers and labourers living in the urban areas, who aren't shielded from the vagaries of financial disadvantages and lack the social capital for their upward mobility. The nature of our work, invariably focuses on the girl child and provides avenues for their growth and development.

Vision and Mission

EDUCATION FOR THE NATION

Vision

Serving Nicely Foundation is working in the field of social justice and youth empowerment. We are here to motivate, guide and enable the most marginalized people to utilize the opportunities available to all and therefore achieve their highest potential. In the long run, they will be the people who will start creating opportunities for others.

Mission

Priority Mission of the year is to provide free assistive education to the selected kids of NDMC Schools to develop the cognitive and arithmetic skills and help them crack JNV (Jawahar Navodaya Vidyalaya) selection exam and other competitive exams.

Sustainable Development Goals (SDGs) achieved through the project :

The 2030 Agenda for Sustainable Development, adopted by all United Nations Member States in 2015, provides a shared blueprint for peace and prosperity for people and the planet, now and into the future. At its heart are the 17 Sustainable Development Goals (SDGs), which are an urgent call for action by all countries - developed and developing - in a global partnership. They recognize that ending poverty and other deprivations must go hand-in-hand with strategies that improve health and education, reduce inequality, and spur economic growth – all while tackling climate change and working to preserve our oceans and forests.

This project directly or indirectly seeks to achieve 6 out of 17 SDG goals for the targeted beneficiaries.

Gratitude

Serving Nicely Foundation expresses its deepest gratitude towards NDMC for providing us the opportunity to train NDMC students for aptitude and cognitive development. The selected students will be provided free coaching and scholarships and tested against National Standards.

Sub: Permission for conducting entrance Exams for free coaching to marginalized students of 31 AAVs & 11 Navyug Schools.

Dear Sir,

With reference to your request letter no. NIL, dated 12/07/2023, addressed to Director (EDn.) and forwarded to the office of undersigned on above mentioned subject, the Competent Authority, NDMC has accorded permission to your foundation to conduct entrance exam, free online coaching to the students and weekly offline exams for selected students across all 42 Schools (1 AAVs & 11 Navyug Schools). (Name of schools list attached) up to 31st March 2026.

Terms & Conditions mentioned below:

1. The foundation will not disturb any school activity in any case during their programme.
2. The foundation will not use school infrastructure for their programme of online classes except weekly test in classrooms and the online classes for selected kids will be operated after school hours with due consent of parents.
3. No fees and charges will be allowed to participate in entrance exam and for online classes.
4. Data of Kids will not be used for any purpose, except the sponsorship programme, in any conditions and the foundation stood liable for such fault. Permission will be cancelled immediately without any information to Foundation.

This issues with prior approval of competent authority.

Rakesh Kumar
Dy. Edn. Officer (Gen.)

Copy to:

1. HOD of mentioned Schools to motivate student to join online classes of Serving Nicely Foundation to gain maximum output. A bonafide student certificate may be issued to students when required for participating in Competitive Exams.
2. PA to Director (Edn.)—for information only.
3. Office Copy.

Timeline

Phase 1	Selection Process
Phase 2	Induction program and Curriculum Introduction
Phase 3	Academic session with Weekly and Monthly Evaluations
Phase 4	EXAM FESTIVAL - INTERSCHOOL EXAM COMPETITION
Phase 5	Gear up for Revision and FINAL NATIONAL LEVEL EXAM

Serving Nicely Foundation follows a five-phase academic process for its program. It begins with candidates undergoing a screening process. Shortlisted candidates then proceed to a written test and a personal interview. Based on their performance, the foundation selects the most suitable candidates for the program.

The academic session comprises regular online classes where qualified instructors teach the prescribed curriculum. Weekly evaluations and personalized feedback help assess candidates' understanding and provide support where needed. Monthly assessments are conducted to monitor progress.

Upon selection, the foundation arranges an interschool induction program and offers an overview of the curriculum. During this phase, candidates are assisted by mentors and program coordinators in setting their goals. The competition includes a range of subjects, and exceptional performers receive recognition and prizes.

In the final stage, candidates participate in revision sessions and mock tests to prepare for the JNV selection exam. They receive personalized guidance from mentors to improve their performance. Eligibility for admission to Jawahar Navodaya Vidyalayas is based on the results of the JNV selection exam.

Mentors Recruitment

CAREER GUIDANCE IN ALL NDMC SCHOOLS

SELECTION PROCESS

- The NDMC recommended 15 schools for this program. Subsequently, the Heads of Schools (HoS) or Principals of each school independently determined the dates and times for the screening and written tests.
Screening: The foundation reviews the applications and shortlists candidates based on eligibility criteria (Basic language skills and financial background).
- Written Test: Shortlisted candidates appear for a written test to assess their knowledge and aptitude.
Personal Interview: Candidates who qualify the written test are invited for a personal interview to evaluate their skills, motivation, and suitability for the program.
- Final Selection: Based on the performance in the written test and interview, the foundation selects the most suitable candidates for the program.

Sub-division of Curriculum

Mental Ability

This is a non – verbal part of course. problems are based on figures and diagrams only. This section is meant to enhance general mental functioning of the candidates. The section is divided into ten parts

PART-I (ODD-MAN OUT)

PART- II (FIGURE MATCHING)

Part- III (PATTERN COMPLETION)

PART- IV (FIGURE SERIES COMPLETION)

PART-V (ANALOGY)

PART - VI [Geometrical Figure Completion (Triangle, Square, Circle)]

PART – VII (MIRROR IMAGING)

PART - VIII (PUNCHED HOLD PATTERN - Folding/Unfolding)

PART - IX (SPACE VISUALISATION)

PART –X (EMBEDDED FIGURE)

Arithmetic

The main purpose of this section is to enhance candidate's basic competencies in Arithmetic. Following 15 topics will be taught:

1. Number and numeric system.
2. Four fundamental operations on whole number.
3. Fractional number and four fundamental operations on them.
4. Factors and multiples including their properties.
5. LCM and HCF of numbers.
6. Decimals and fundamental operations on them.
7. Conversion of fractions to decimals and vice-versa.
8. Measurement of length, mass, capacity, time, money
9. Distance, time and speed.
10. Approximation of expressions.
11. Simplification of Numerical Expressions,
12. Percentage and its applications.
13. Profit and loss.
14. Simple interest.
15. Perimeter, area and volume.

Emphasis will be more on building of understanding and application of the concepts and skills involved.

Language

The main purpose of this sub section is to enhance the reading comprehension of the candidates. Each Student is provided with passage and followed by 5 questions. Candidates shall read each passage and answer the questions that follow.

- **Monthly Scholarship will be based on Punctuality, Discipline, Daily assignments, Weekly Tests and Monthly Inter-school Competition Performance.**

Digital classes

- The program conducted online classes every day from 8 PM to 9 PM. This allowed students to engage in interactive learning sessions and receive education remotely at a convenient time. The online classes provided a platform for students to acquire knowledge, ask questions, and actively participate in the learning process, despite physical distance or other constraints.

USE of 1-2-4-7 strategy

This program used 1-2-4-7 strategy for revision cycle which is an effective approach to spaced repetition and review. Here's how it works:

- **Day 1:** Review the material you learned on the same day. This helps reinforce the information in your short-term memory.
- **Day 2:** Review the material again after a gap of one day. This allows you to consolidate the information in your long-term memory.
- **Day 4:** Review the material once more after a gap of two days. This helps reinforce the information further and refresh your memory.
- **Day 7:** Review the material again after a gap of three days. This helps solidify the knowledge and ensures that it is retained in your long-term memory.

By following this revision cycle, we spaced out our review sessions strategically, which has been shown to improve retention and recall. This approach takes advantage of the spacing effect, which suggests that reviewing information at **spaced intervals is more effective than cramming or massed practice.**

Ahs Saloni

Video call interface for Ahs Saloni. The participant is a young girl with dark hair, wearing a pink shirt. The background shows a green wall and some foliage. The interface includes a top bar with the class name, a bottom bar with icons for mute, video, chat, and a share button, and a sidebar with a list of participants.

Class 5 (2023-2024)

Video call interface for a participant. The participant is a young girl with dark hair in two braids, wearing a white shirt. The background shows a blue wall. The interface includes a top bar with the class name, a bottom bar with icons for mute, video, chat, and a share button, and a sidebar with a list of participants.

Apmb Prakash

Video call interface for Apmb Prakash. The participant is a young boy with dark hair, wearing a grey shirt. The background shows a blue wall and some foliage. The interface includes a top bar with the class name, a bottom bar with icons for mute, video, chat, and a share button, and a sidebar with a list of participants.

Abbgn Faiza

Video call interface for Abbgn Faiza. The participant is a young girl with dark hair, wearing a white shirt. The background shows a white wall and some foliage. The interface includes a top bar with the class name, a bottom bar with icons for mute, video, chat, and a share button, and a sidebar with a list of participants.

Weekly exams

Weekly exams play a crucial role in the learning process and have several key importance:

1.Assessment of Learning: Weekly exams allow teachers to assess students' understanding of the material covered during the week. They provide a snapshot of students' comprehension and identify

areas of strength and weakness.

2.Active Recall and Retrieval Practice: Weekly exams require students to actively recall and retrieve information from their memory. This practice enhances their ability to retain and recall the learned material, strengthening their long-term memory.

3.Reinforcement of Learning: By testing students on a regular basis, weekly exams reinforce the learning process. They help solidify concepts and ensure that students review and engage with the

material consistently.

4.Feedback and Improvement: Weekly exams provide students with valuable feedback on their performance. This feedback helps students identify their areas of improvement and allows teachers to provide targeted guidance and support to enhance learning outcomes.

5.Time Management and Preparation: Weekly exams teach students the importance of managing their time effectively and preparing for assessments on a regular basis. They encourage students to

develop study habits, plan their revision schedule, and allocate time for review and practice.

6.Building Exam Confidence: Regular exposure to exams through weekly assessments helps students build confidence in their test-taking abilities. It familiarizes them with the exam format and conditions, reducing test anxiety and improving performance during more significant evaluations.

Overall, weekly exams serve as an integral part of the learning process by assessing student progress, reinforcing knowledge, providing feedback, and developing important study skills. They contribute to a more comprehensive understanding of the material and facilitate continuous growth and improvement.

Exam Schedule:

Selection tests were conducted in the following AAVs, AAPVs and Navyug Schools under NDMC as per the availability provided by the Head of schools (Hos)/ InCharge.

DATE: 9 SEPTEMBER 2026

Exam Schedule:

Selection tests were conducted in the following AAVs, AAPVs and Navyug Schools under NDMC as per the availability provided by the Head of schools (Hos)/ InCharge.

DATE : 7 AUGUST 2023

INTERNSHIP PROGRAMME WE HAVE 80+ INTERNS

PROJECT YEAR 2024-2025

Under this program, 85 enthusiastic and driven interns from various Delhi University colleges embark on a four-month internship journey, serving as mentors in specific NDMC schools. These diligent interns shoulder the responsibility of nurturing the young minds in their care, shaping their educational experience in various impactful ways.

The core responsibilities of these dedicated interns are multifaceted, including conducting weekly exams within the classroom, meticulously evaluating assignments, and providing invaluable guidance to students in their academic pursuits. They play a pivotal role in fostering a positive learning environment, inspiring their young mentees to excel in their studies, and instilling a passion for knowledge.

As these interns embark on their journey with Serving Nicely Foundation, they represent a beacon of hope for a better, more empowered, and enlightened tomorrow for the students they mentor. Together, they work towards transforming education, one internship at a time.

PROJECT 2022-2023

Offline Doubt sessions

- In the months of March and April, the program organized **offline doubt sessions conducted by IIT alumni**. These sessions provided an opportunity for students to receive personalized guidance and clarification on their academic queries. The presence of IIT alumni ensured that the students had access to experienced mentors who could offer expert advice and support. The offline doubt sessions aimed to further enhance the students' understanding of complex topics and strengthen their problem-solving skills. By connecting students with successful IIT alumni, the program aimed to inspire and motivate the participants to pursue their academic goals with confidence and determination.

To
Director (Education)
NDMC

Subject: Regarding permission to conduct a monthly inter-school competition exam

Respected Sir

The programme for improving the advanced learning outcomes of students at NDMC schools through free coaching, as stated in letter No. F-34 D/1773/DEO(G)/Edn/2021, has been running successfully.

The period so far has involved the selection process of the beneficiaries, a citation and award ceremony for the students, regular classes, and tests conducted so far and their results.

A progress report for this period has already been submitted as well.

I would like to bring to your kind notice that since this programme is a result-oriented one with measurable tangible outcomes, in addition to the other components, we seek to imbue a sense of competition among the students through our various exercises and to boost their confidence.

In continuation of the same spirit, we seek to conduct a monthly inter-school competition at the end of every month where beneficiaries from all the schools covered under this programme would come together and appear for the exam.

This exam would also be used to provide scholarships to the students.

Since this programme is to be for a duration of 4 months from now, we will be conducting 4 such monthly inter-school competitions.

For this, we need your permission to conduct them at a single venue on the premises of any of the allocated schools on the last Sunday or Monday of every month, the duration of which will be two hours.

After the successful completion of this exam festival, we want to felicitate the best school on the basis of students' punctuality, discipline, assignments, weekly test, and monthly interschool competition.

We will be grateful to you for this permission, as it will aid us in fulfilling our commitment to the programme.

Regards
Jaideep Sehrawat,
MD, Serving Nicely Foundation

Sub: Permission to conduct a monthly inter-school competition exams - regarding

Dear Sir,

This is in reference to your letter no. Nil, Dated: 13.01.2023 on the subjected cited above.

The Competent Authority, Director (Education) has accord approval to your foundation to conduct inter-school competition exams on 28.01.2023 (Saturday) at AAV, Havlock Square, New Delhi on the terms & conditions as mentioned below.

Further, permission for conduct of inter school competition exam is not being granted for all four months as requested due to School Annual Exams, and other activities. Matter for monthly exam will be considered on later stage after fresh request for the same.

A report of the exam conducted may be submitted to undersigned after completion of the process.

Terms & Conditions:

- Permission to conduct the exam and other formalities of exam is only for date 28.01.2023, Saturday, from 09:30 AM to 12:30 PM
- Child will be allowed for exam by the foundation after due consent of the parent and with permission of School authority where the student is enrolled.
- Safety & Security of the Children will be the responsibility of the foundation in all manners.
- Parent will escort their ward to exam center, i.e. AAV, Havlock Square and back to their home.
- No fees/charges for the said exam are allowed.
- No Invigilator will be provided by the AAV, Havlock Square for exam.
- The Foundation will stand responsible in case of any mishap/untoward incident during exam.

- 6.Attendance 30%

Rewards for Performance Percentage

Rewarding the excellence

To foster a competitive spirit among students, the program aims to reward meritorious individuals based on monthly evaluations. These evaluations serve as a means to assess the students' performance and progress throughout the program. By consistently monitoring their academic achievements and growth, the foundation aims to instill a sense of healthy competition among the participants.

At the end of each month, students' performance is evaluated against predefined criteria, which may include factors such as academic excellence, class participation, leadership qualities, and extracurricular involvement. Based on their performance and rankings, the foundation acknowledges and rewards the most outstanding students.

By implementing a system of monthly evaluations and rewarding meritorious students, the program aims to create a healthy and motivating learning environment. This approach encourages students to excel academically and participate actively in various aspects of their educational journey, ultimately preparing them for future challenges and successes.

Talent Recognition

The program recognizes and nurtures budding talents through various extracurricular activities such as a **Kathak dance workshop, a fine art competition, and theatre engagements**. Here's how these activities contribute to the recognition of talents:

1.Kathak Dharohar Workshop: The Kathak dance workshop organized in collaboration with renowned **NGO KATHAK DHAROHAR** provided a platform for students interested in dance to explore and showcase their talent. It offers training and guidance from experienced Kathak instructors, allowing students to develop their skills and techniques. By participating in the workshop, students have the opportunity to excel in this classical dance form and receive recognition for their dedication and artistic abilities.

2.Fine Art Competition: The fine art competition encourages students to unleash their creativity and artistic expression. It provides a space for students to showcase their talent in various art forms such as painting, drawing, and sculpture. By participating in the competition, students receive recognition for their unique artistic abilities, and their works are appreciated and acknowledged by the program and the wider community.

3.Theatre Engagements: Theatre engagements provide a platform for students to showcase their acting skills, stage presence, and storytelling abilities. Through participation in drama productions or performances, students have the opportunity to explore different characters, express emotions, and captivate audiences. Recognizing and applauding their talent in theatre encourages students to pursue their passion for performing arts and develop their skills further.

These extracurricular activities not only provide students with opportunities to explore their talents but also promote self-expression, confidence, teamwork, and creativity. By recognizing and celebrating these talents through workshops, competitions, and performances, the program nurtures and supports students' artistic growth, helping them to realize their potential in these fields.
